# Invest in your health TODAY, to ensure a better, healthier FUTURE!

---

NHT Global is committed to the wellness of people across the globe. We have researched and developed products that use the most effective ingredients and are fueled by the latest trends and technology. We take a holistic approach to health and our products are designed to give you the support you need to achieve vitality, longevity, and beauty—inside and out. Whether you are a growing child, young professional, a middle-aged parent, or an older individual, NHT Global has something that can help you achieve the quality of life you are striving for.

---

**EXPLORE OUR DIVERSIFIED PRODUCT OFFERING AND  
LEARN HOW NHT PRODUCTS CAN HELP YOU!**

**“COMMITTED TO  
WELLNESS,  
COMMITTED TO YOU”**

## **ABOUT US**

---

**“WE ARE A TEAM COMMITTED TO IMPROVING HEALTH, BEAUTY AND LIFESTYLES AND OFFERING A GLOBAL OPPORTUNITY THROUGH SUPERIOR PRODUCTS.”**

NHT Global has been creating wellness traditions around the world since 2001. We are a publicly traded (Nasdaq: NHTC) multi-level marketing company based in Rolling Hills Estates, California with distribution in more than 40 countries.

We offer premium quality-of-life products in 5 main categories -- beauty, lifestyle, wellness, herbal, and home - in addition to a competitive

business opportunity that rewards our independent distributors. Since our founding, our innovative products and seamless compensation plan have helped thousands of people all over the world realize their goals and dreams.

As we continue to grow and expand into new markets, NHT Global remains dedicated to creating opportunities for personal growth and success to our members. We believe in you and your future, and we welcome you to join us in our mission to help spread wellness traditions around the world.

## OUR PRODUCTS

---

At NHT Global, it is our mission to co-develop and bring to market premium quality products that can make an immediate impact on our members and customers.

The modern world is constantly challenging our bodies in ways that require additional support. On any given day, the average city dweller may be faced with environmental toxins, stress, and poor food choices, all of which take a toll on our quality of life.

To meet the diverse needs of the modern individual, NHT Global is proud to offer innovative product solutions that help you live a healthier, better life, starting today. Our products fall under 5 key categories -- Beauty, Lifestyle, Wellness, Herbal, and Home - that yield an array of targeted benefits. From age defying skin care to immune boosting juices, we are confident our robust offering can deliver real benefits to your entire family.

Whether you desire healthier looking skin, more energy, or antioxidant support, NHT Global products can help you meet your beauty, lifestyle, and wellness goals.

# DEDICATION TO QUALITY

## SUPERIOR INGREDIENTS

From the spectacular Tibetan Himalayas to the pristine lands of Samoa, NHT Global has searched the four corners of the earth to source the absolute best ingredients that nature has to offer and infused them into some of your favorite products. Our products are formulated with only the finest quality, most well-researched ingredients - many of which are patented or patent pending - that are able to deliver an immediate impact to help you achieve quality of life you are striving for.

## TOP CONTRACT MANUFACTURING

NHT Global works solely with leading GMP certified contract manufacturers across the globe who are able to not only meet but exceed our requirements for utmost quality and safety. We work closely with them at every stage of development to ensure we deliver products that meet the rigorous standards of the NHT Global brand.

## INTERNATIONAL FOCUS

NHT Global products are sold in more than 40 countries worldwide, and our product development process is a reflection of our global mindset. Our products are fueled by market trends and the latest scientific research, while also maintaining compliance per the regulatory and safety requirements of our international markets.

# CHILDREN'S HEALTH AND DEVELOPMENT

---

**A PARENT'S MOST IMPORTANT JOB IS TO SECURE THEIR CHILD'S HEALTH AND WELL-BEING.**

The early years of growth and development can have a major, long-term impact on a child's social, emotional, physical, and mental health. According to WHO, more than 200 million children under five years old fail to reach their full cognitive and social potential.

NHT Global products are a great way to safeguard your child's health. By helping them obtain the critical nutrients needed for a balanced diet and healthy lifestyle, you can help ensure optimal growth, development, and happiness for your little one.

“Giving children the best start in life is the most important thing a parent can do”.

-WebMD

## Premium NONI

Premium Noni captures the immune boosting benefits of the noni fruit, a secret that Samoans have known about for thousands of years. Naturally rich in vitamins, minerals, enzymes, antioxidants, phytonutrients, and bioflavonoids, the noni fruit works at the cellular level in the body to support the natural function of the immune system.\* Blended with concord grape, white grape, and pineapple juice, Premium Noni delivers great taste and incredible health benefits in every single bottle.

- USDA certified organic
- Preservative free
- Also available in single serve pouches

### Trifusion Max

---

Trifusion Max harnesses some of the world's most powerful and exotic superfruits -- gac, goji, acai, mangosteen, and lychee – that you won't find in any ordinary juice. The synergistic effect of this powerful blend creates a natural interaction that is more beneficial combined in a juice than if consumed individually. Packed with beneficial phytonutrients, vitamins, and minerals, in addition to important antioxidants, lycopenes and xanthones, Trifusion Max is a delicious liquid supplement that the whole family will enjoy.

- Enhanced with calcium to support strong bones\*
- No added artificial flavors, colors, sweeteners or sugars.

### Children's Chewable Multivitamin

---

NHT Global's Children's Chewable Multivitamins are an easy way to improve your children's health and development. These delicious orange flavored tablets contain 14 essential vitamins, in addition to beneficial minerals and trace elements, to fill any nutritional holes and help them perform the best at their golden age.

- Every tablet is formulated with 14 essential vitamins, 12 natural plant & grain extracts, and trace elements.

## MemoryBurst Soft Chews

---

MemoryBurst strawberry-flavored soft chews are designed to support brain health to help you stay positively fresh. Its patented key ingredient – fibroin extract – has been shown in clinical studies to help improve brain activity, learning, and memory in children and adults.\*

- Supports a healthy brain\*

## Omega-3 Essential Fatty Acids

---

NHT Global's Omega-3 Essential Fatty Acids is an ultra-pure Omega-3 gourmet fish oil. Every serving provides an impressive 1,000mg of EPA and DHA, which not only meets but exceeds the daily recommended values of Omega-3 as suggested by major health organizations and international experts. EPA and DHA are key to the optimal function of vital bodily systems like the brain, heart, eyes, and joints.\*

- Easy to swallow or chew.
- Made with an exceptional citrus flavor with no fishy smell or taste and no fishy repeat.
- Our fish oil comes from sustainable sources that meet the strict certification standards of Friends of the Sea (FOS).

# DETOX

---

We live in an increasingly toxic world where we are exposed to waste, pollutants and impurities on a daily basis. They are present in the foods we eat, the water we drink, and the air we breathe. While daily exposure to these harmful substances may be the norm for those with urban lifestyles (think: cigarette smoke, pesticides, chemicals, and pollution), toxin accumulation takes a toll on our health and can even lead to serious damage and negative health issues over time.

Featuring the perfect balance of detoxifying ingredients like precious Chinese herbal extracts, NHT Global products cleanse and purify your body without the negative side effects associated with traditional detoxes.

“Let food be your medicine”

- *Hippocrates*

## LivaPro

---

LivaPro's unique formula creates the perfect balance of traditional Chinese ingredients that protect the health of one of our most important organs – our liver. Olive Leaf Extract, Pueraria Extract, Lycii Fructus Extract and other natural extracts work synergistically to support healthy liver function, detoxify the liver, and provide other uplifting benefits.\*

- Developed by expert Traditional Chinese Medicine herbalists at the Hong Kong Institute of Biotechnology Ltd.

## Cordyceps Mycelia CS-4

---

Cordyceps Mycelia CS-4 is a highly specialized formula that benefits the health and function of the kidneys. Known as two of the most precious herbs in traditional Chinese medicine, Cordyceps Mycelium CS-4 and Agaricus Blazei Extract improve overall health by purifying the kidneys while also protecting against harmful toxins and free radicals.\*

- Developed by expert Traditional Chinese Medicine herbalists at the Hong Kong Institute of Biotechnology Ltd.

## Premium NONI

Premium Noni captures the immune boosting benefits of the noni fruit, a secret that Samoans have known about for thousands of years. Naturally rich in vitamins, minerals, enzymes, antioxidants, phytonutrients, and bioflavonoids, the noni fruit works at the cellular level in the body to support the natural function of the immune system.\* Blended with concord grape, white grape, and pineapple juice, Premium Noni delivers great taste and incredible health benefits in every single bottle.

- USDA certified organic
- Preservative free
- Also available in single serve pouches

## Cluster X2

ClusterX2 is a liquid concentrate supplement that has been created to benefit the body with optimal cellular hydration. Made with clustered water or 'free' water that can move freely through the cell walls, ClusterX2 helps deliver nutrients more quickly and promotes elimination of toxins, leaving your body feeling great.\*

- Blended according to US patent 6,033,678 and other patents pending.

# WOMEN'S HEALTH

---

“Taking joy in living is a woman’s best cosmetic.”

---

*- Rosalind Russell*

## ALURA LUX

---

Based on the 1998 Nobel Prize winning discovery of nitric oxide as a signaling molecule, this innovative topical gel uses a patented combination of L-Arginine and Menthol to benefit multiple areas of the body and is clinically proven to improve vaginal lubrication.

- Clinically proven
- Doctor recommended
- Paraben-free

## HerBalance

---

HerBalance is specifically designed to help women combatting symptoms associated with hormonal imbalances. Borage Seed Oil, soybean, hawthorn, and additional herbal extracts help alleviate pre- and post-menopausal symptoms to enhance a woman's overall well-being and safeguard her health.\*

## Enhanced Essential Probiotics

---

Enhanced Essential Probiotics is a comprehensive probiotic supplement made with 8 different strains of probiotics to accommodate all your digestive health needs. Every serving equips your body with over 10 billion probiotics that are protected by patented quadruple coating technology to help you achieve ultimate intestinal health and balance.\*

# IMMUNITY

---

Our immune system is integral when it comes to staving off serious health effects and staying healthy. While a well-balanced diet plays an important role in keeping our immunity strong, immune boosting supplements like NHT Global's Triotein and Premium Noni can go one step further to provide added protection and support year-round.\*

---

“The immune system is your  
body’s first line of defense  
against illness.”

---

*- Julie Chen, M.D.*

## Triotein\*

Triotein is a high-quality, 99% lactose-free whey protein powder that provides the amino acids needed to stimulate the body's production of intracellular glutathione peroxidase (GSH). Supplemented with Vitamin D and added levels of 3 key amino acids, Triotein serves as an essential building block that can help boost immunity, protect against free radicals, and provide intracellular support.\*

- Highly soluble formula that easily mixes into water, milk, juice, yogurt.
- 9g of Protein and 100% of your Daily Recommended Value of Vitamin D in every scoop.
- Also available in single serve pouches that are perfect for travel, sharing, or on-the-go

## Premium NONI\*

Premium Noni captures the immune boosting benefits of the noni fruit, a secret that Samoans have known about for thousands of years. Naturally rich in vitamins, minerals, enzymes, antioxidants, phytonutrients, and bioflavonoids, the noni fruit works at the cellular level in the body to support the natural function of the immune system.\* Blended with concord grape, white grape, and pineapple juice, Premium Noni delivers great taste and incredible health benefits in every single bottle.

- USDA certified organic
- Preservative free
- Also available in single serve pouches

## Enhanced Essential Probiotics

Enhanced Essential Probiotics is a comprehensive probiotic supplement made with 8 different strains of probiotics to accommodate all your digestive health needs. Every serving equips your body with over 10 billion probiotics that are protected by patented quadruple coating technology to help you achieve ultimate intestinal health and balance.\*

# DIGESTIVE HEALTH

---

Many experts believe that the secret to good health lies in our guts. At NHT Global, we believe that an adequate amount of fiber and a steady supply of “good” bacteria can help you achieve optimal digestive health and give you much needed relief from diarrhea, occasional constipation, and abdominal discomfort.\*

“I am convinced digestion is  
the great secret of life.”

*-Sydney Smith*

### FibeRich

---

Designed to refresh your body and remove toxic substances, NHT Global's FibeRich promotes healthy digestion and supports heart health. Every scoop contains more than 7 grams of dietary fiber and 8 billion compound high-density probiotics to ease bowel movements, protect your digestive tract, and help the body better absorb nutrients.\*

### Enhanced Essential Probiotics

---

Enhanced Essential Probiotics is a comprehensive probiotic supplement made with 8 different strains of probiotics to accommodate all your digestive health needs. Every serving equips your body with over 10 billion probiotics that are protected by patented quadruple coating technology to help you achieve ultimate intestinal health and balance.\*

## ReStor Vital

---

ReStor Vital is specifically designed to support individuals with higher energy demands by helping replenish our levels of calcium ATPase, a naturally occurring enzyme in our body that is crucial to cellular health. From increased energy and focus to improved digestion, ReStor Vital offers targeted benefits to help those with active lifestyles perform their best and achieve optimal vitality.\*

# WEIGHT MANAGEMENT

---

For many of Americans, our weight is the biggest source of our insecurities. We are constantly bombarded with advertisements enticing us with the latest weight loss products, many of which make false promises of fast, dramatic results. More often than not we end up wasting our money on weight loss methods that are not only harmful to our health, but rarely produce lasting results.

NHT Global understands that having proper support is instrumental to help you meet your weight loss goals. Our weight management system takes a smart, healthy approach to weight loss that – when coupled with good eating habits – can help you attain the flattering body you desire while also improving your overall health.

---

“Take care of your body.  
It’s the only place you  
have to live.”

---

*- Jim Rohn*

### FibeRich

---

Designed to refresh your body and remove toxic substances, NHT Global's FibeRich promotes healthy digestion and supports heart health. Every scoop contains more than 7 grams of dietary fiber and 8 billion compound high-density probiotics to ease bowel movements, protect your digestive tract, and help the body better absorb nutrients.\*

### TwinSlim Diet Jelly

---

TwinSlim Diet Jelly takes an innovative approach to weight management. Every delicious stick contains 930 mg of HCA, the active component in garcinia cambogia that is clinically proven to help curb our body's conversion of carbohydrates to fats for effective fat reduction. Enriched with additional plant-based extracts and collagen, TwinSlim Diet Jelly helps you achieve the coveted S-line body while also beautifying the look of your skin.

## Omega-3 Essential Fatty Acids

NHT Global's Omega-3 Essential Fatty Acids is an ultra-pure and sustainably sourced Omega-3 gourmet fish oil. Every serving provides an impressive 1,000mg of EPA and DHA, which are key to the optimal function of vital bodily systems like the brain, heart, eyes, and joints.\* When used in combination with a healthy diet and exercise program, research has shown Omega-3 fatty acids can also enhance the body's ability to address its fat metabolism and promote a healthy weight.\*

- Easy to swallow or chew.
- Made with an exceptional citrus flavor with no fishy smell or taste and no fishy repeat.
- Our fish oil comes from sustainable sources that meet the strict certification standards of Friends of the Sea (FOS).

# ELDERLY HEALTH

---

Your health is one of the best investments you can make. As we get older, we begin to experience symptoms of aging that can make performing even the simplest of tasks a struggle. To help elderly individuals get the most out of life, NHT Global products can help alleviate some of the common discomforts of aging while providing extra cellular support.

A person wearing a light blue polo shirt and white shorts is riding a bicycle. The person's right hand is on the handlebar, and their left leg is visible. The background is a blurred green park setting with trees and sunlight filtering through the leaves.

---

“Life expectancy increased by 5 years between 2000 and 2015, the fastest increase since the 1960s.”

---

*- World Health Organization*

## Glucosamine 2200

---

Glucosamine 2200 directly supplements your body with the building blocks needed to help rebuild your body's glucosamine and promote cartilage production.\* Formulated with a proprietary blend of glucosamine hydrochloride, shark cartilage, green lipped mussel, and turmeric, Glucosamine 2200 can help give you the support and relief you need to keep you moving.

## ReStor Silver

---

ReStor Silver is a plant-based dietary supplement that supports the body's responses to daily stress by replenishing our levels of the critical enzyme -- calcium ATPase. This patented formulation enhances the body's biologic functions, improves muscle performance, supports bladder function, and promotes more restful sleep.\*

## CogniMax

CogniMax features *Uncaria rhynchophylla*, *Cistanche Tubulosa*, and other premium quality Chinese herbal extracts to benefit cognitive and brain health. Developed by expert Traditional Chinese Medicine herbalists at the Hong Kong Institute of Biotechnology Ltd., this advanced formula supports healthy memory function and performance as you age.\*

## Premium NONI\*

Premium Noni captures the immune boosting benefits of the noni fruit, a secret that Samoans have known about for thousands of years. Naturally rich in vitamins, minerals, enzymes, antioxidants, phytonutrients, and bioflavonoids, the noni fruit works at the cellular level in the body to support the natural function of the immune system.\* Blended with concord grape, white grape, and pineapple juice, Premium Noni delivers great taste and incredible health benefits in every single bottle.

- USDA certified organic
- Preservative free
- Also available in single serve pouches

# ENERGY/ACTIVE

There are few things more satisfying than having the energy to accomplish everything set out for us in a single day. But with the transition to a 24/7 work culture, on top of other stresses posed by the fast-paced, modern world, staying alert and energized throughout the day can prove challenging.

NHT Global products are a great way to give you the boost you need. Whether you need help starting the day or just want an afternoon pick-me-up, NHT Global's products equip you with the tools your body needs to aptly respond to the mental and physical stresses of everyday life.

---

“Lack of activity destroys the good condition of every human being, while movement and methodical physical exercise save it and preserve it.”

---

*-Plato*

---

## StemRenu

---

StemRenu is an advanced renewal complex that harnesses the power of signal molecule technology to rejuvenate the body. Featuring the avian egg extract and additional nutrient dense ingredients, StemRenu nourishes and restores the body to help it perform better and recover faster.\*

## LaVie

---

LaVie is a vibrant energy dietary supplement masterfully blended with red grapes from the Bordeaux Region of France, wholesome aloe vera, red raspberries, and more for a delicious mélange of Nature's most enchanting botanicals. LaVie's key ingredients have been found to improve cardiovascular health, boost the immune system, and provide other uplifting health benefits.\*

## EnerGin

---

A dietary supplement that works to counter the effects of stress, increase energy, and promote vitality. EnerGin's main ingredient, Korean Ginseng, is world-renowned for its ability to fight fatigue and tiredness. Take EnerGin daily to support a healthy physical as well as mental lifestyle.\*

## ReStor Vital

---

ReStor Vital is specifically designed to support individuals with higher energy demands by helping replenish our levels of calcium ATPase, a naturally occurring enzyme in our body that is crucial to cellular health. From increased energy and focus to improved digestion, ReStor Vital offers targeted benefits to help those with active lifestyles perform their best and achieve optimal vitality.\*

## Cluster X2

---

- Blended according to US patent 6,033,678 and other patents pending.

# BEAUTY

---

NHT Global's Beauty line is full of skin care staples that help you fight the appearance of multiple signs of aging. Using the most innovative age defying ingredients and advanced technology, our products help you turn back the clock to restore a flawless, feminine glow.

---

“You can be gorgeous at  
thirty, charming at forty,  
and irresistible for the rest  
of your life.”

---

- *Coco Chanel*

## Skindulgence Facelift

---

Skindulgence Facelift is an innovative 3-step system that re-energizes your appearance in just 30 minutes a day. The exquisite trio of Cleanser, Masque, and Moisturizer work together to improve the appearance of fine lines, wrinkles, and skin's firmness.

· Paraben-free

## Skindulgence BioCell Mask

---

BioCell is a unique bio-cellulose facial mask that hydrates, moisturizes and softens skin. Its patented three-dimensional sheet continuously releases an ultra moisturizing essence that impacts the skin to deliver high performing ingredients like beta-glucan, Arginine, and Coenzyme Q10 (Ubiquinone).

- Use following the Skindulgence 30-Minute Non-Surgical Facelift for superior moisturization and soothing effects

## Skindulgence Time Restore

---

Skindulgence Time Restore is a powerful 2-piece set comprised of a super-concentrated moisturizing essence and an intense hydrating eye cream that effectively hydrate, revitalize, and fight the appearance of multiple visible signs of aging for a more youthful look.

## Soothe Repair Therapy

---

Soothe Repair Therapy is a luxurious all over body cream ideal for dry, sensitive, and aging skin. Soothe's unique, hypoallergenic formula absorbs quickly to instantly moisturize, leaving skin gloriously soft, smooth, and healthy all year long!

- Hypoallergenic and non-greasy formula
- Free of dyes and fragrances

## 24K Renaissance Skin Rejuvenation Serum

---

Formulated with real 24 carat gold flakes, 24K Renaissance is a luxurious, moisturizing serum that locks in moisture and reduces the appearance of wrinkles for a luminous finish.

## Floraeda Hydrating Series

---

Floraeda Cleansing Milk, Toner, Hydrating Cream and Hydrating Night Cream are gentle formulas made with ECOCERT certified ingredients. The Floraeda Series targets the appearance of elasticity, deeply moisturizes, and protects skin against free radicals.

## NHT Homme

---

NHT Homme is an exceptional 2-step skin care line made especially for men. The Refreshing Cleanser works by penetrating deep into the pores to cleanse and exfoliate, while the non-alcoholic After-Shave Repairing Aqua Gel tackles after-shave and moisturizing in a single easy step. The result is a highly effective skin care routine that helps men maintain healthy looking skin in less than 5 minutes a day.

- Non-alcoholic formulas for minimal skin irritation

## Botanical Hand Protector

---

Botanical Hand Protector is an ultra-buttery hand cream that absorbs quickly to bring you intensive hydration. This proprietary formula features the perfect combination of renewing botanicals and mighty antioxidants that work together to restore velvety softness to skin while also shielding against the damaging effects of environmental toxins.

- Non-greasy, safe formulation free of parabens, phthalates, MEA, TEA, DEA, Propylene Glycol, Sulfates, and Dyes

# HAIRCARE

---

“A girl should be two things: classy and fabulous.”

---

- *Coco Chanel*

## Complete Renewal 8 Age Defying Hair Mask

---

A deeply nourishing intensive treatment that targets 8 major signs of aging to help restore dry, damaged or aging hair to the appearance of a more youthful state. Achieve optimal results when used in conjunction with Complete Renewal 8 Shampoo and Conditioner.

- Great for all hair types
- Free of parabens, sulfates, phthalates, and formaldehyde
- Made with Fair Trade ingredients

# HOME

---

Create your best home yet with NHT Global's Home Line. Featuring high performing home solution products, the Home line gives you the tools you need to take your home to a naturally clean and beautiful state from the inside out.

---

---

“The home should be the treasure chest of living.”

---

- *Le Corbusier*

## AquaPur

---

AquaPur is a high-quality water purifier that provides total protection from more than 2100 different toxins. Its 3 layer filtration system provides three robust levels of defense against parasites, bacteria, heavy metals, and other contaminants to ensure you are consuming clean, healthy, and delicious tasting drinking water.

## PurAir

---

PurAir is a unique 6-level air purifier proven in laboratory testing to effectively remove PM2.5 particles, large particles, harmful gases, germs, and bacteria. PurAir also comes with user-friendly features, like a remote control and smartphone app, which allow you to be able to monitor your home's air quality anytime, anywhere.

- Clean Air Delivery Rate (CADR) of 440 m<sup>3</sup>/hr

# MOOD / STRESS MANAGEMENT

Tension is who you think  
you should be. Relaxation is  
who you are.”

*-Chinese proverb*

## StemRenu

---

StemRenu is an advanced renewal complex that harnesses the power of signal molecule technology to rejuvenate the body. Featuring the avian egg extract and additional nutrient dense ingredients, StemRenu nourishes and restores the body to help it perform better and recover faster.\*

---

NHT Global's Omega-3 Essential Fatty Acids is an ultra-pure Omega-3 gourmet fish oil. Every serving provides an impressive 1,000mg of EPA and DHA, which not only meets but exceeds the daily recommended values of Omega-3 as suggested by major health organizations and international experts. EPA and DHA are key to the optimal function of vital bodily systems like the brain, heart, eyes, and joints.\*

- Easy to swallow or chew
- Made with an exceptional citrus flavor with no fishy smell or taste and no fishy repeat
- Our fish oil comes from sustainable sources that meet the strict certification standards of Friends of the Sea (FOS)

## OcuFocus

---

NHT Global's OcuFocus is a complete ocular supplement that combines some of the world's most eye-friendly nutrients in a single formula. Award-winning ingredient Lutemax®2020 and other beneficial carotenoids promote a healthy macula, support eye health and vision function, assist visual performance and acuity, and help protect your eyes against harmful visible light and high-energy blue light.\*

## LivaPro

---

LivaPro's unique formula creates the perfect balance of traditional Chinese ingredients that protect the health of one of our most important organs – our liver. Olive Leaf Extract, Pueraria Extract, Lycii Fructus Extract and other natural extracts work synergistically to support healthy liver function, detoxify the liver, and provide other uplifting benefits.\*

· Developed by expert Traditional Chinese Medicine herbalists at the Hong Kong Institute of Biotechnology Ltd.

HAIR/SKIN/NAILS\*
