HERBAL SUPPLEMENT

If you ask just about anyone these days, they'll tell you one thing they wish they had more of in their life is energy. Busy schedules, poor diet, stress, and work and family demands leave many of us feeling fatigued and in search of ways to boost our energy levels. NHT Global's EnerGin is a great solution to this need. With its main ingredient being Korean Ginseng, EnerGin helps to promote a healthy physical as well as mental lifestyle.

ENERGIN IS JUST THE BOOST YOU NEED!

Ginseng is world-renowned for its ability to fight fatigue and tiredness. Not only does it stimulate the formation of blood vessels and improve blood circulation, Ginseng has also been linked to improved mental clarity and a better ability to adapt to stress. NHT Global's EnerGin delivers a high amount of ginseng's active component, ginsenosides, as well as additional plant extracts like guarana, green tea, yerba mate, and cordyceps. The result is a unique, synergistic formula that works to counter the effects of stress, increase energy, and promote vitality.
