StemRenu

NHT Global's StemRenu is an advanced renewal complex that provides nutrient support for healthy cell signaling and overall cellular health.* It contains a specialized combination of bioactive nutrients from around the world such as Avian Egg Extract and Organic Peruvian Maca that nourish the body to promote peak wellness and renewal.*

HOW DOES IT WORK?

To help our bodies rejuvenate and renew, we need powerful nutrient support starting at the cellular level.* That's why we developed StemRenu, an innovative formula that arms the body with additional tools for the natural renewal process.*

StemRenu is packed with supercharged nutrients that are specifically designed to rejuvenate and help restore the body to a more youthful and balanced state.* Its key ingredient, avian egg extract, is a specialized source of pre-embryonic signal proteins. Researchers have found that signal proteins are abundant in the fibroblast growth factors needed for renewal and healthy cell signaling.*

SCIENTIFICALLY TESTED

- Formulated by a trusted medical Doctor and team of leading scientists.
- Scientifically tested.
- Tested for more than 500 potential contaminants to ensure utmost purity, safety, and quality.

THE FORMULA

AVIAN EGG EXTRACT from fertilized, free-range hen eggs delivers pre-embryonic signal proteins and amino acids to support renewal and healthy cell signaling and helps counter the effects of stress.*

ORGANIC MACA is a world-renowned superfood from the Peruvian Andes. This highly prized root has been used for centuries to boost energy and vitality and help the body adapt to stress.*

GREEN TEA EXTRACT helps protect our bodies against harmful free radicals, balances glucose within normal levels, and supports the body's metabolism.*

ORGANIC ALOE VERA contains glyconutrients that have been shown to support immunity and blood sugar within normal levels.* StemRenu uses highly bioavailable aloe vera that is grown in volcanic soil to preserve maximum micronutrients and utmost quality.

MARINE MINERAL COMPLEX from organic marine algae (AlgaeCal™) supplies calcium, magnesium, boron, and other bone-friendly minerals and nutrients.

BIOPERINE® is a patented extract of black pepper that is clinically proven to increase the bioavailability of nutrients so that they can be better absorbed by the body.

ORGANIC FUCOIDAN ALGAE is a plant-based compound sourced from wakame seaweed that has been shown to offer immune and gut support.*

RED GRAPES from France provide a source of resveratrol, an antioxidant shown to support heart health and healthy aging.*

BioPerine® is a registered trademark of Sabinsa Corporation.
