NHT GLOBAL'S PREMIUM NONI JUICE CAPTURES MAXIMUM GOODNESS

NHT Global's Noni fruit is harvested on Internationally Certified Organic plantations in the purest land in the world...the famed Tahitian Ring of the South Pacific. NHT Global is proud to partner in a 'chief to chief' quality juicing process. The Noni fruit is ordered with a call to a Samoan Chief, from a plantation that has been in the Chief's family for centuries. The fruit is harvested, hand-picked, aged, and flash pasteurized ONCE to maintain the purity, effectiveness and flavor. Premium Noni incorporates whole-fruit technology utilizing all key components of the Noni fruit to ensure that maximum goodness is captured.
