WELLNESS

Managing our blood sugar, or glucose, is important for our health. As the main type of sugar found in our blood, glucose provides energy to our cells and is used to power vital bodily functions.* When we experience blood sugar spikes and crashes, it can make us feel sluggish, moody, and less focused throughout the day. If not properly managed, blood sugar imbalances can take a major toll on our body and lead to serious health challenges over time. So, as you can imagine, our ability to maintain balanced blood sugar levels is essential to our overall well-being.*

MetaBoost

NHT Global's MetaBoost makes it easy for you to support optimal blood sugar health and restore your body's natural balance.* This unique vegan supplement uses a breakthrough extract of silver fir called Belinal® sourced from the pristine forests of Slovenia. Rich in healthful polyphenols, this remarkable ingredient offers effective and science-backed benefits to help you maintain healthy blood sugar levels already within a normal range.* The synergistic formula also contains coenzyme Q10, cinnamon, and rose hips to further optimize glucose metabolism while also providing antioxidant support.* By helping you get off the blood sugar rollercoaster, MetaBoost safeguards your cardiovascular health, metabolism, and brain function so that you can stay healthy, both physically as well as mentally.* In other words...MetaBoost is just the boost you need to stay balanced and vibrant!*

Clinical Trial Results

In a clinical study, our Belinal® Silver Fir Branch Extract was shown to influence post-prandial glycemc response.* Subjects who consumed Belinal® Silver Fir Branch Extract after consumption of a standard starch-containing meal were able to reduce the glycemc index of their meal by 35%, compared to the placebo group.* By reducing or delaying the absorption of glucose, Belinal® Silver Fir Branch Extract can provide support for blood glucose management and help maintain healthy and normal blood sugar levels in the body.*

DIRECTIONS FOR USE

Take 2 capsules daily.

CAUTIONS

- Consult your healthcare professional before use if you are under medical supervision or allergic to any ingredients.
- Keep out of reach of children.
- Avoid storage in direct sunlight, high temperature or extreme humidity.
