Root Revive

Say hello to healthier, stronger looking hair
with NHT Global's Root Revive.

This specialized hair serum combines the goodness of nature with the best in hair care science to transform your hair from root to tip. This ultra-concentrated botanical blend features 11 hair and scalp boosting ingredients that work together to revive and nourish weak, thinning hair.

It's formulated with a breakthrough ingredient called Redensyl™ Complex that revitalizes the hair follicles. Potent and patented, Redensyl™ Complex improves the appearance of hair density for visibly fuller looking hair in as little as 90 days. Our formula is also enriched with caffeine, hyaluronic acid, and vitamin B5 to restore moisture and support an optimal scalp environment for the natural hair life cycle.

From strengthening strands to balancing the scalp, Root Revive has been expertly designed to fortify your hair health from every angle for real results you can see and feel. Say goodbye to bad hair days and unlock your best hair with NHT Global's Root Revive.
