

WELLNESS

# ENHANCED Biotic Trio

Our gut microbiome is home to trillions of bacteria. While tiny in size, these bacteria living in our gut play many important roles in our overall well-being – helping with our digestion and regularity, immune function, nutrient absorption, and more. When our guts get out of balance, it can negatively impact our health and lead to gastrointestinal discomforts like occasional constipation, bloating, and an upset stomach. The good news is that we can restore balance to our gut microbiome with the help of pre-, pro-, and postbiotics.

## SET YOURSELF UP FOR PEAK GUT HEALTH\*

Optimize your gut health from every angle with NHT Global's Enhanced Biotic Trio.\* This advanced all-in-one powder features pre-, pro-, and postbiotics for comprehensive gut and digestive support.\*

This great tasting formula starts with **4 types of prebiotics** that fuel good bacteria and foster a healthy gut environment.\* By helping beneficial bacteria to thrive, these foundational nutrients support smoother digestion, better nutrient absorption, and optimal immunity.\* This science-backed blend also delivers **17 beneficial strains of live probiotics** to balance your gut microbiome and aid digestive function.\* To complete the formula, we've added **14 types of postbiotics** to provide key metabolites that help to further stabilize and reinforce the gut's defenses.\*

With this powerful triple-action approach, Enhanced Biotic Trio gives your gut the complete care it deserves – supporting your digestion, immunity, and overall wellness like never before.\* Use daily to promote a balanced gut microbiome and unlock a healthier and more regular you.\*

## KEY INGREDIENTS

Ultimate 3-in-1 Gut Health Support\*

### 4 PREBIOTICS - to fuel\*

4 types of prebiotics support the growth of good probiotic bacteria in the gut\*

### 17 PROBIOTICS - to balance\*

17 unique probiotic strains balance the gut microbiome and promote healthy digestion\*

14

### 14 POSTBIOTICS - to reinforce\*

14 kinds of postbiotics help stabilize the gut and support immune health\*

## QUADRUPLE COATING TECHNOLOGY

Did you know that more than half of all probiotics can be eliminated in the stomach before they even reach our gut? That's why Enhanced Biotic Trio uses **quadruple coating technology** to protect the probiotics from being destroyed as they pass through the digestive tract. This patented delivery system is proven to significantly increase the survival rate of the probiotics by blocking external factors such as moisture. This specialized coating technology enhances the viability of the probiotics until they successfully reach the gut to deliver maximum benefits.

## KEY BENEFITS

- Delivers **10 billion probiotics** per serving<sup>1</sup>
- Supports optimal gut health and balance\*
- Promotes nutrient absorption\*
- Maintains healthy digestive function\*
- Supports the immune system\*
- Certified by the Korean Ministry of Food and Drug Safety (MFDS) to ensure top quality and safety

<sup>1</sup>At time of manufacture

## DIRECTIONS FOR USE

Consume contents of one stick pack per day after a meal.  
Children and elderly can consume with water.

## CAUTIONS

Consult your healthcare professional before use if you are under medical supervision or allergic to any ingredients.  
Keep out of reach of children. Store in a cool, dry place away from direct sunlight.

## INGREDIENTS

Isomalt, Erythritol, Fresh Cream Mixture Powder, Skimmed Milk Powder, Chicory Root Extract Powder, Fructo-oligosaccharide, Proprietary Probiotics Blend (Lacticaseibacillus rhamnosus, Lactiplantibacillus Plantarum, Lacticaseibacillus Casei, Lactobacillus Acidophilus, Lactococcus Lactis, Bifidobacterium Breve, Bifidobacterium Animalis ssp lactis, Streptococcus thermophilus, Bifidobacterium Bifidum, Limosilactobacillus reuteri, Lactobacillus helveticus, Bifidobacterium Longum, Lactocaseibacillus paracasei, Ligailactobacillus salivarius, Lactobacillus delbrueckii ssp. Bulgaricus, Limosilactobacillus fermentum, Lactobacillus gasseri), Vitamin C, Milk Flavor Powder, Galacto-oligosaccharide, Yoghurt Flavor Powder, Silicon Dioxide, Yolk Powder, Proprietary Postbiotics Blend (Tyndallized – (Bifidobacterium Infantis, Lactobacillus Plantarum, Lactobacillus Paracasei, Lactobacillus Fermentum, Lactobacillus Casei, Lactobacillus Rhamnosus, Lactobacillus Acidophilus, Bifidobacterium Breve, Bifidobacterium Lactis, Bifidobacterium Longum, Bifidobacterium Bifidum, Streptococcus Thermophilus)), Tyndallized L. Acidophilus, Fermented Soy Powder, Tyndallized Bf. Bifidum, Tyndallized Phellinus linteus, Laciplantibacillus plantarum LRCC5314, Indigestible Maltodextrin, Amino Acid Mixed Formulation, Bifidobifidum bifidus bacteria powder, Lactobacillus Plantarum powder, Japanese Apricot Juice Powder, Zinc Oxide, Vitamin B2, Cranberry Extract Powder, Plums Extract Powder.

Contains Soy, Egg and Milk.
