Glucosamine 2200

Don't Let Joint Discomfort Slow You Down*

Joint discomfort and stiffness can really alter our quality of life and limit our ability to stay active. For some, a lack of enough glucosamine in the body is a major contributor. NHT Global's Glucosamine 2200 can help give you the support and relief you need to keep moving.*

This unique daily supplement supplies the key building blocks you need to maintain healthy joints and an active lifestyle.* It delivers a high concentration of glucosamine hydrochloride to help rebuild the body's glucosamine and promote cartilage production.* Our verified formula is also enhanced with green lipped mussel, shark cartilage, and turmeric extract to lubricate and cushion your joints for improved comfort and smoother movement.*

From easing friction between the bones to maintaining better flexibility as you age, Glucosamine 2200 provides ultimate joint support when you need it most and will help make for a healthier and more agile you.*
