Moisturizing Series

Activate Skin Renewal to Reveal a Radiant Glow

When your skin barrier weakens, it allows moisture to escape — leading to dryness, irritation, and more fine lines. Locking in moisture is key to maintaining a strong and healthy skin barrier. That's why NHT Global developed **Soo:vea**, a next-level Korean skincare series designed to support skin barrier repair and improve moisture retention, helping you achieve long-lasting hydration and a radiant glow.

This restorative 4-step routine is powered by a blend of advanced ingredients to strengthen the skin barrier and deliver all-day moisture.

At the core of the series is **GlucanREAL**[®], a patented beta glucan extract proven to increase moisture by an average of 465% and provide 48 hours of hydration. Each formula is also infused with **ceramide NP** and a proprietary **BS-peptide 6 complex** to further fortify the skin barrier while soothing sensitive or irritation skin.

Each step in the Soo:vea series is specially formulated to deliver targeted barrier-boosting support to promote visible renewal. Together, they work in harmony to awaken your skin's natural radiance — revealing a plump, youthful looking complexion.

KEY INGREDIENTS

GlucanREAL® Beta Glucan

Ceramide NP

BS-Peptide 6 Complex

CORE
INGREDIENTS

SPECIALIZED
ENHANCERS

Lacto EXO Exosome

9 Probiotics

Papain

KEY BENEFITS

- Supports skin barrier repair

1

2

3

4

STEP 3 Booster

Instantly moisturizes and firms, visibly
renews, and calms irritation
Fortified with Lacto EXO and 9 probiotics

STEP 4 Cream

Deeply nourishes and penetrates
up to 10 layers of skin to deliver
3X hydration

DIRECTIONS FOR USE

- 1 Pump a small amount of **cleanser** on wet hands and lather well. Gently massage onto skin and rinse thoroughly with lukewarm water.
- 2 Apply **toner** evenly on your face and neck and pat on the skin, avoiding the eye area.
- 3 Gently massage or pat 3-5 drops of **booster** onto face and neck until it absorbs.
- 4 Apply **cream** evenly to the face and gently massage to enhance absorption.

CAUTIONS

- Intended for external use only.
- Avoid contact with eyes. Rinse thoroughly with water if contact occurs.
- If you experience redness, swelling, itching, or irritation after use, discontinue use immediately and consult physician.
- Store in cool, dry place and away from direct sunlight and keep out of reach of children.
- The Cleanser is not recommended for children under 3 years of age.
