OcuFocus

Give Your Eyes the Care They Deserve*

Eye and vision-related discomforts can create challenges in our lives. With NHT Global's OcuFocus, you can help give your eyes the daily care they need and deserve.*

This complete ocular supplement is formulated with high-performance nutrients to support vibrant eye and vision health.* It features a clinically studied blend of lutein and zeaxanthin isomers from **Lutemax® 2020** to support and protect the macula, a critical area of the eye responsible for sharp and clear central vision. Combined with lycopene, beta carotene, and additional vitamins, OcuFocus provides advanced nutrition to assist visual acuity, protect eyes against harmful blue light, and combat oxidative stress.*

Whether you want to support optimal visual performance or fight digital eye strain and fatigue, OcuFocus is the missing edge you need to maintain healthy eyes at any age.*

CLINICAL STUDY RESULTS

Derived from marigold flowers, Lutemax® 2020 is an award-winning extract that delivers all three macular carotenoids – lutein, RR-zeaxanthin, and meso-zeaxanthin – in the same highly effective 5:1 ratio as found in the diet.

In clinical studies, it has been shown to improve visual health and performance and indicators of excessive screen use.*

- increase **macular pigment optical density** (MPOD) in as little as **8 weeks***
- reduce **eye strain** during prolonged exposure to blue light emitting digital screens after **6 months***
- reduce **eye fatigue** during prolonged exposure to blue light emitting digital screens after **6 months***

The amount of Lutemax® 2020 that participants consumed in the clinical study is equivalent to the amount provided in 2 servings (2 capsules) of OcuFocus per day.

INGREDIENTS

Lutemax® 2020 (Lutein, Zeaxanthin Isomers), Ascorbic Acid, Astaxanthin, Lycopene, Vitamin E Succinate, Rice Flour, Bilberry Fruit Extract, Lycium Berry, Beta Carotene, Magnesium Stearate, Silicon Dioxide

DIRECTIONS FOR USE

Take one capsule up to two times daily.

CAUTIONS

If you are pregnant, lactating, or currently under medical supervision, please consult physician before using.
