Skindulgence REVITALIZING EYE CREAM

Achieve a Firmer, Lifted Look

Revive dull, tired looking eyes with NHT Global's **Skindulgence Revitalizing Eye Cream**. This high-performance eye cream targets multiple signs of aging around the eyes to promote a smoother, more lifted look. It's powered by bakuchiol — a gentle, plant-based retinol alternative — along with two powerhouse peptides to visibly firm and plump skin while reducing the appearance of fine lines and crow's feet. This multi-action formula also features caffeine and patented gentian to effectively brighten the under-eye area and minimize the look of dark circles and puffiness. Clinically tested and moisture-rich, this efficacious cream provides complete age-defying support to revitalize your eyes and help you achieve a firmer, younger-looking appearance.

Key Ingredients

Caffeine

Increases circulation and minimizes the look of puffiness

Gentiana Lutea Root Extract (Yellow Gentian)

Reduces the appearance of dark circles and under-eye bags

Bakuchiol

A gentle, plant-based retinol alternative that diminishes the look of wrinkles around the eyes

Arginine/Lysine Polypeptide

Lifts, firms, and smooths the look of fine lines and crow's feet

Gentiana Scabra Extract (Gentian)

A patented gentian extract that helps to soothe irritated skin

Glucosylrutin

Visibly brightens, soothes, and protects against free radicals

Acetyl Hexapeptide-8

Supports skin's elasticity and fights the appearance of wrinkles for a firmer look
